

April 21, 2011

I have known Mr. Jim as a professional motivational speaker for a number of years. During this time we have been fortunate to have Mr. Jim at Three Rivers Middle School. His presentations have always been innovative and dynamic, infusing our students with tremendous knowledge and skills on how to make positive choices while being entertaining at the same time!

Well done, and on behalf of all our student, staff, and parents at Three Rivers Middle School, we thank you and look forward to having you visit us again.

We would also like to send a special thanks to G.W. Jones Bank and R & H Machine Products for sponsoring Mr. Jim's presentation. Without your generous help our students would not benefit from Mr. Jim's message.

Sincerely,

Rich Myers

Assistant Principal
